

MARANATHA

*gospel centered camp
for the whole family*

2024 *Impact Report*

A recap of God's work at camp

Your involvement at camp makes all the difference.

Numerous 2024 testimonies centered around a special time during events we call **family connect**—when parents and children engage in spiritual conversations about the themed, Scriptural teaching. As a result, we heard: children's hearts stirred as their dads led them to God's Word, families testifying to the blessing of **family connect**, parents challenged to take the spiritual conversations home, and so much more!

Transformation occurs as people encounter Jesus, and **family connect** prompts families to talk about it. It's this type of spiritual renewal we pray for at each event, and why your partnership matters. Encountering Jesus produces life change that leads to deeper gospel fervency, deeper relationships, and deeper spiritual care in families, churches, and communities.

This is why Maranatha exists.

"Come and see what the Lord has done!"

Psalm 66:5

We are excited to share what's happening at camp! In these pages, you'll find:

I need to be more intentional about following Christ and leading my family.

I was challenged to be more personal and intentional in seeking to understand how Scripture has impacted my kids' lives, and share with them God's work in my life.

Testimonies

of encounters with Jesus

I want to talk to my kids more often about what Jesus has done in my life.

I was encouraged to continue modeling running the race, leaving an example for my child to see the importance of putting Jesus first.

2024 // RECAP BY NUMBERS

Camp Maranatha exists to strengthen families and support local churches by offering events that inspire life-changing encounters with Jesus.

2024 FINANCIAL SUMMARY

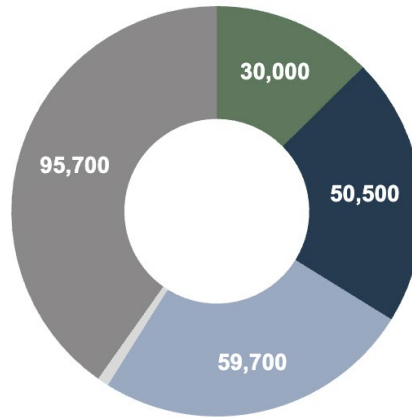

2024 saw record event numbers! We are stewarding our finances as carefully as we can with rising costs, but with several declining buildings, it will be critical to invest more in our facilities in the upcoming years.

Our small team is maxed out on the number of events we can effectively lead, and we remain committed to affordable rates for families in an already difficult economy.

Please pray for God to provide more financial partners.

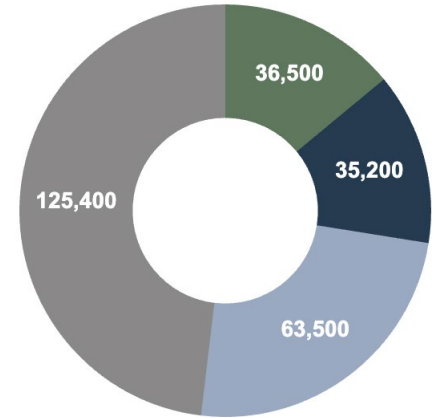

REVENUE // Jan-Nov 2024

Total Revenue: \$238,000

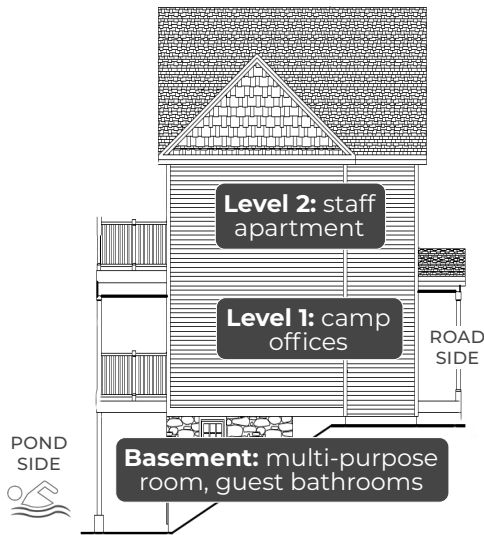

EXPENSES // Jan-Nov 2024

Total Expenses: \$260,600

CAPITAL IMPROVEMENT // Pond View Project

This year, a generous ministry friend offered to match gifts towards Pond View. Thanks to many, we've received \$57,000 (so far) of our 2024 goal of \$100k.

Praise God!

Because of this, we were able to side and seal the building for winter, and are currently installing septic, plumbing, and the stone retaining wall.

Please continue to pray for the completion of this project.

WAYS TO GIVE

The financial summary depicts our low general giving this year. We continually pray that God would provide for the camp's needs as we seek to fulfill our mission and point people to Jesus.

Would you pray about how God might use you to further the mission of Camp Maranatha?
