

IGNITE Youth

setting minds and hearts ablaze for God

SUMMER CAMP FOR AGES 10-16

MARANATHANH.ORG

setting minds and hearts ablaze for God

Students engage in a focused curriculum on the greatness of God in Scripture, connecting truth to daily life via counselor-led teaching, discussions, intentional conversations, and more! With lots of opportunities for dialogue, students can explore their faith and ask questions in a safe environment where they are pointed to Jesus.

- Gospel-saturated discipleship
- 3 attributes of God each year
- Guided discussions and heart application
- Personal Bible study
- Scripture memory

A WEEK TO GROW IN LOVE
FOR GOD AND HIS WORD

Fun activities like archery tag, weaponry, crafts, swimming, group games, and more!

Meals include many comfort foods like spaghetti, burrito bowls, hot dogs, and more, with PB&J for the picky eaters.

STUDENT GUIDELINES

GENERAL EXPECTATIONS

- Students are here to learn and grow in their faith.
- It's important to follow all camp guidelines and to listen to staff. There are consequences for deviating from these guidelines.
- No WiFi accessible electronics or gaming systems may be brought to camp (i.e. tablet, phone, etc); digital cameras or watches without internet/cellular access are okay.
- Students may not use the office phone, cell phones, email, internet, or any form of electronic communication at any time during the week.
- No entering cabin floors/hallways of the opposite gender.

ATTIRE

One of our goals as a Christian camp is to promote students to getting to know one another in a wholesome atmosphere where the importance of external appearances is minimized. As a result, we ask campers to bring casual, comfortable clothes that enable them to easily move around and enjoy a variety of activities. We want a fun atmosphere without worrying about constantly adjusting or ruining clothing.

Clothing Guidelines

- **Footwear** is required at all times except while swimming or in cabins.
- **Clothing may not include references** that are vulgar, obscene, degrade others, or promote drugs, alcohol, or violence.
- **No undergarments may be visible** at any time.
- **Shirts** must cover the top of shorts even when moving (if arm motion shows midriff or stomach, it's too short). No crop tops or low cut necklines. Tank straps must be at least the width of two fingers.
- **Shorts** must have at least a 4 inch inseam and no holes. No biker shorts.
- Acceptable **swimsuits** include swim trunks, a modest-neckline one-piece, or tankini that comes down to the bottoms. A dark colored t-shirt and possibly shorts should be worn over swimsuits that don't fit these guidelines. A t-shirt and shorts are required whenever not at the pond.
- **Pajamas** may not be worn outside of cabin hallways.

Camp counselors/staff may ask a student to change or not wear a specific item of clothing if they deem it does not follow the above guidelines.

FAQS

WHAT'S YOUR VIEW ON DISCIPLESHIP?

Camp influence is short-term, so our goal is to reinforce truth that students hear at home and church. Our curriculum is God-exalting, gospel-centered, and personally applicable. We emphasize the redemptive story of Scripture, personal Bible study, and thoughtful questions, not just surface Christian answers. Our counselors lead teaching and discussions, encourage students to ask questions and study Scripture for themselves, and to talk to other godly people they know.

HOW DO CABINS WORK?

Bunk style housing in Summit West creates our “cabins”, with separate floors for girls and boys. There are 6 students and one counselor per room, with two counselors combining rooms in a pod to create a “cabin”.

WHAT ACTIVITIES DO YOU OFFER?

There is swim time by gender each day. Other activities rotate, but favorites include archery, weaponry, canoeing, gaga ball, and more! Special crafts or creative projects vary from year to year. Evening activities include group games, laser tag, 9 square, and the like.

WHAT ABOUT ELECTRONICS?

Ignite Youth weeks are electronic free. Please leave all internet and cellular accessible devices at home (ipad, laptop, phone, smart watch, ipod, gaming systems, etc.). Digital cameras or watches without internet access are okay.
